Hi Sir or Madam,

I am Jennifer, 49 years of age. I am married and got a daughter. I am now looking for a new employer.

I am from San Juan Molo, Iloilo City, the Western part of the Philippines. My purpose of working here is to provide a good education for my daughter who is 11 years old now. I've been a private tutor and was able to teach elementary school for a year. I would say I am good with kids.

My current employer now are British family. I'm taking care a 2 year old kid. My job was to take care of the baby as well as tidying up their house, cooking & marketing.

The previous employers are Japanese & Chinese. I had an experience in taking care of dogs also. During my off, I would only stay in church. My hobbies are playing guitar, ukelele, as well as watching movies.

Working in Hong Kong has been a happy experience for me. I like this place so much. If given the chance to work with your family, I will do my very best to be your helper. I am always willing to learn. Thank you.
