Hi Sir/Ma'am,

I am Valen, 33 years old.

I am now looking for a new employer because my employer and I don't fit each other because of misunderstanding, miscommunication and misinterpretations on my daily work and the sleeping arrangement is not well.

I am from Ramon, Isabela, Philippines. I have one son, 6 years old and married. And as of now, he's living with my husband. To work here is my purpose to provide my family and son a better education opportunities.

My current employer is a Hong Kong nationality and she is 68 years old. I wake up at 6:00am and prepare her breakfast. After her breakfast, I will clean the house and do the laundry. Then go to market everyday because she wants fresh vegetable and meat from the market. After coming back from market, I cook lunch, wash dishes from the one we used for lunch. In the afternoon, she do exercise and I accompany her.

In the Philippines, I have experience of taking care of 1 year old and 3 years old kids. They are Filipino citizen. And here in Hong Kong also I took care 4 elderly.

I am a happy person, independent, hardworking, honest and have initiative on my work. I love kids and elderly to take care.

If you hire me, I can assure you that I will take good care of your family and you can trust me.

I am looking forward to seeing you soon. Thank you and God bless
