FE

Filipino | Christian | Married | 44 years old | 4 kids
Hong Kong | 14yrs experience

Hi Ma'am & Sir,

I am Fe, 44 years old. I am looking now a new employer. I want to break my contract, not fit with the family.

I am from Lingayen, Pangasinan, Philippines. I have a 4 children, 1 boy 24 years old and 3 girls 22 year old, 20 years old and 16 years old. They are now living with my husband in my hometown. My purpose of working here is to provide for my family in the Philippines. I want to give good education opportunities to my children.

My current employer now is almost 4 months that I work. I want to break my contract. I start last August 12, 2022 but now I'm almost 4 months in this family.

My previous employer is from China (2 years) and here in Hong Kong (4 years) to taking care of the baby and toddler. I wake up at 6:30am to cook the breakfast for the family. I am the one to take care of the kids, and my third employer is French family. They are 4 in the family 2 children before I start the elder one is 7 years old and the youngest is 2 years in almost 7 years of the family. They are relocate last July 4, 2022 moving in America. My work is to prepare their breakfast sending the children to the bus stop and after that, do the cleaning, laundry, groceries, feeding the cat, ironing and cooking in the nighttime. After dinner, I play a bit with the children, cleaning the kitchen, and I usually go to bed at 8:30pm or 9:00pm.

I am looking now my new employer as a good communicator for each other because my current employer now is not fit for family and misunderstanding to each other and my room is not comfortable and no food. I always buy my own food.

I want to take care of children age 7 up to 18. Thank you for understanding my situation. I do my best if you hire me.
