Hi Sir or Madam,

I am Gelli, 25 years old. I am in a happy relationship with my long time boyfriend. I am looking for a new employer right now preferably a family with a kid because I love kids.

I am from Rizal, Nueva Ecija, Philippines. I am the youngest among 4 siblings. I decided to work here to earn and save money for my future life especially when I get married and of course to support my parents financially as well.

My current employer is a Hong Kong family of 3, a stay at home mother & daughter, and a working son-in-law. I am also taking care of two cats.

They are the one who do marketing. So I'm cleaning the house before and after their breakfast. And in the afternoon prepare things for the dinner and ironing. We start cooking when my sir is on his way home. I'm just assisting them, but there's some dish that they letting me cook on my own especially soup. And I finish all things around 10:00-10:30.

I don't have much experience yet, but I'm always willing to learn. And I can adapt to new working conditions.
