Hong Kong | 15yrs experience

Hi Sir/Mam,

I am Joan Marie 41yrs old. I am from Philippine, I have 3kids 20.19.17yrs old.
I am working in Hong Kong for supporting my family.
Especially my children still in the college, so I need to work for them.

I have been in Hong Kong for 14yrs already.
I took care of babies, children, elderly and pets. I took care of cats and fish, but I can take care of dogs as well.

My previous employer all renewed my contract. They were satisfied my service.
Current employer doesn't need helper anymore. Because grandmother will move to their home soon.
Kids are big already and grandmother said she can take care of them.

Hope you give me a chance to interview with me. God bless you !
