Philippines | 12yrs experience

Hello Ma'am and Sir!

I am Lyn, I am 47 years old. I have 4 children ages 27, 25, 22 and 17 years old. I am working in Hong Kong for almost 10 years. I just finished my contract last Oct 9. My past employer was a Japanese-American. My main duties were housekeeping, washing the laundry, marketing and cooking the Japanese food. I took care of 2 kids ages 4 and 5. I send them to school and pick them up after school. We have play time and after that I took them bath.

As I household worker, I always make are that everything was organize, so that my employer will be happy with my work. I always make sure that they will satisfy and meet their expectation.

My employer was very kind. They treat me like a family, but they were moving to Germany. I want to go back to Hong Kong to find new employer. Hope I will be given a chance.

Thank you and hope to see you soon.
