Hong Kong | 8yrs experience

Hi Sir or Madam,

I am Jonalyn, 34 years old. You can call me Jonah in short. I am looking for a new employer because of other reason. I am from Maria Aurora in the Philippines. My purpose of working here is to provide for my family from the Philippines. I am the only child and sad to say my dad passed away already so I only have my mom.

My current employer is a Hong Kong family of 5, the parent and 2 teenager and 1 kid. I wake up 7am to cook and prepare breakfast for the family and to send the kids to the school. After that, I go back home to do the household chores at home like cleaning the house, washing clothes, ironing. I pay with her, bring her to park. I bring her to and from school. I bring her to all her after school activities, help her doing homework, help her to keep good hygiene like brushing her teeth and combing her hair. I do marketing by buying some stuff for cooking or things that we need at home.

I also have previous experiences with Chinese family with 1 teenager and 1 kid. I am looking for an employer with toddler or child care. My strong point as a helper is I can communicate well with my employer and manage my time well. I am also willing to learn more as per my employer's request.

If you hire me, I can assure you that I will take good care of your family and trust me. I am looking forward to see you. Thank you and God bless you!
