## ANN

**Filipino | Iglesia ni Cristo | Married | 52 years old | 2 kids  
Hong Kong | 7yrs experience**

Dear future employer,

I am Ann, 52, Filipina, with two grown up kids (25, 24). I was raised by my family who has high religious values and morality. I gained the courage of living in fear of God. A happy and cheerful person with a great sense of humor. A sporty woman who likes to hike, cycling, gym, martial arts (taekwondo). I do like dancing, singing and playing piano too. A hardworking, reliable, honest, trustworthy and patient when it comes to work. I absolutely love caring for babies and kids. I graduated with the degree of Bachelor of Arts major in Political Science. I was a daycare worker/kindergarten teacher in the Philippines for 4 years before I came to work in Hong Kong and I have a total of 7 years experience working as a domestic helper here with ages ranging from newborn to 5 years old, teens 19 and 17, elderly 82 and 88. For the past few years, I was able to work with 4 great families. Main duties are baby care/child care, including bathing, feeding, set playdates, bringing/picking to and from school, storytelling. For elderly, monitoring, administering medicine, accompany to the hospital for body check up, and some housework like laundry, ironing, shopping, cleaning the house and the likes.

I look forward to meet you someday and promise to be a good helper and in return treat me as family of your own.
