Sir/Madam

Hi, I'm Hajje, 39 years old. You can call me Jeje. I am looking for a new employer because my employer terminated me without any reason. I came from the Philippines. I'm also a single mom with two children, all boys. The eldest is 12 years old and the youngest is 7 years old. My kids now living with my mother. My purpose of working here is to provide for the needs of my family in the Philippines and to give good education to my kids.

I have working experience here in Hong Kong, taking care a new baby with all around housechores. I finished my contract 2 years and they decided to for good in the UK, the reason I change my employer. My latest employer with 7 years old boy and 4 cats with all around housework, like washing clothes, cooking, tidy up the while house, ironing, taking care the 4 cats and taking care the years old boy.

I am looking for an employer with a newborn baby or toddler since I love taking care of them. My strong point as a helper is I can communicate well with my employer and can manage my time well. I am also willing to learn more as my employer's request.

If you hire me Mam/Sir, I assure you to do my job with love and have initiative to do the things well. I will take good care of your family and be honest all the time. Hope to give me a chance to prove my capability to work with your family. Thank you and God bless.
