Filipino | Catholic | Single | 34 years old | 1 kids

I am Paula Joy, 34 years old. My current employer is Japanese. They are going back to Japan that is why I am currently looking for new employer. My duties in this family includes housework, some cooking and child care. I was working for this family since the kid was newborn. I assist ma'am in taking care of baby until now that she is a toddler. Now I go with the kid to her playgroup. I mostly cook for the kid. The cooking is not my strong suit, I can follow recipes and very willing to learn more to improve further in cooking. Current employer gave me a recommendation letter.
