Hi Sir/Madam,

I am Rosario, 53 years of age. You can call me Rose for short.

I'm now looking for a new employer. Finishing my contract this year April 20, 2023.

I presently working with a British/Chinese family with 2 boys aged 3 & 5 years old. My main task are look after the kids, make sure that they are safe and teach them how to be independent since as they know how to tidy up their toys after playing, put on their own socks and shoes, know how to button and unbutton their coat. We trained them also the potty training. That's why at early age they just used nappy at bed time. They also trained to eat by themselves at early age. And take away the dish to the kitchen. I do reading books to them before go to bed. I can do some household chores, cleaning, cooking, marketing, etc.

I am looking for an employer with kids/newborn. My strong point as a helper are easy to get along, fast learner and I can manage my time to do my chores. I do love cooking at the same time.

I know at my age is not easy for me to find an employer that want 50 years above but I can assure you that I can still manage to look after the newborn to kids. It was because I love kids. I can assure my prospect employer to serve them with love and respect. I am looking forward to hear from you soon. Thank you.
