Hi Sir or Madam,

I am Eloisa. You can call me Liza. I am now looking for a new employer because my current employer will be going back to Japan for good. I am a Filipino, 51 years old, married with no kid. My purpose to find a new employer is so that I can get new jo and new visa because I still need to work to support my family, especially my parents.

I been working for Japanese people for more then 20 years. I am hardworking, honest. I take care baby, kids and dog. I also do marketing, cooking Japanese food and I also do car washing, house cleaning.

My daily routine for my current employer now. First I feed the dog and walk after that I will eat breakfast. After that do cleaning, lunch time. After lunch, ironing and preparing dinner. 5pm I will walk the dog. And then cooking dinner depends what time my employer will come back or eat dinner. After dinner, wash the dirty plate or the one I use in the kitchen, clean up the kitchen. Lastly throw the rubbish.

I am looking for an employer with baby or kids. I love taking care of them. And I am looking for a Japanese because all my previous employer are Japanese.

My strong point as a helper is I can communicate well with employer. And am hardworking and honest and willing to learn. If you hire me, I can assure you that I will take care of your family and I'll do my best to keep you satisfied. Thank you.
