Good day to my future employer!

My name is Evelyn, I am 35 years old with 8 children. I work as a domestic helper for almost 4 years in Macau and Saudi Arabia. As a housemaid, I do household chores, cooking, laundry and taking care of their children.

My strong points as a helper is my ability work without supervision. I am also a fast learner and I always treat my employers child/children as my own. I want my employer to be happy always because of my good performance. I am a respectful person and God fearing.

I can assure my future employer that I will always give my best every time I am doing my task and be respectful to all your family members.

Hoping to see you soon.
