Philippines | 4yrs experience

Good day to my prospective employer,

I am Jannette, 35 years old. Graduated at Romblon State University. I am a hardworking, conscientious and loyal helper whose work is very important to me. Outside of my work, I have a family to support and I understand that the only way I will get to provide them long term is to be a professional and competent helper in Hong Kong. I keep myself fit and active which means I have the motivation and enthusiasm to carry out my tasks to a high standard. I am also someone who is naturally tidy and organized person who feels very much at home following set rules and guidelines. In addition to this skills, I also understand and how important it is to employer someone you can trust. I am a trustworthy person and my references will vouch for that.

If you hire as your helper, I feel strongly you will be impressed with my levels of integrity, honesty and high standards of work.

Thank you, Sir and Ma'am.
