My current employer is 2 elderly couple 80's and 90's and 1 adults 50's. I wake up at 7am cook breakfast for them, make juices and tea, go down for car washing every day, and come back to clean the house, wash clothes, cook lunch for the two elderly, wash the two bathroom & iron the clothes & bed sheets every 3 days. I have 30 mins rest in the afternoon & prepare some fruits in the afternoon for them and prepare things for dinner to cook. They eat at 8pm, wait for employer to come home & finish dinner before go to bed at 10pm. We go to the market every Monday to buy all for the whole week.
