ANALIZA

Filipino | Christian | Single | 41 years old
Hong Kong | 9yrs experience

Hello Sir/Madam,

I am Analiza, 41 years old. You can call me Ann. I'm planning to break my contract once I find an employer.

I'm from Pangasinan, Northern part of Philippines. I'm single and I'm the bread winner for my family.

My current employer is Taiwanese who have 1 kid, we're living in 1600 sq. ft. flat. Mainly my duty is look after the kid that have illness (skin problem since born) because of this I am not allow to go out their house, only if I need to wash their car. I always fell nervous working with them. The working place is unhealthy for me.

I have a good release letter from my previous employer. I am independent employer who can organize well. More on initiative to do things. And I believe no good helper is leaving their employer if they treat us good too.

Looking forward to meeting you. Thank you!
