My purpose on working here is to provide for my family in the Philippines. I want to give good future for my son. And set my small business one day. Through my goals I'm motivated enough to do my best to serve my future employer best.

My current employer in Hong Kong is a Hongkongese a family of 3, 1 working mum 1 grandma and 1 beautiful girl ages 5.5 when I start Sept 2021. I wake up at 6:30 in the morning cook breakfast for the kid and send the kid to school. After that I go directly to market to buy fresh food for lunch and dinner. When I reach home, I get ready all ingredients for lunch. Keep it aside and tidy up the house. After that I cook for kids lunch box and send it to school at 11am and come back home making a note for her next dictation learning. I also have experience working in Singapore for 4 years with a 3 storey house, and for a family of 4 in Hong Kong for 4 years, Same thing with my current job. The different is I don't do tutoring. I do explore in cooking too like pizza and grilled chicken.

I am looking for a kind, reasonable employer with pet or kids. My strong point is I can communicate well and manage my time so well. I want also to willing to learn more as per my employer's request.
