Sir/Madam,

Good day. I am Rebecca, 44 years of age, with three kids aged 20, 18, 14 and greatly doing very well in their studies. I came from the province of Benguet, Philippines.

As a matter of fact, I am looking for a new employer at this point of time, to support my family in the Philippines. I graduated a four-year course (Bachelor of Science in Secretarial Administration).

I am currently working here in Hong Kong for eight (8) years and 6 months., With four employer in total. In this connection, my main duties were infant care, kids care, housekeeping, marketing, cooking, gardening and other related jobs inside the house.

My strong point as a helper is that I can manage to work independently with standard results. I am willing to learn new things if I will find a new employer. I am looking forward regarding this matter. Thank you very much. God bless.
