MAYJANE

Filipino | Catholic | Married | 39 years old | 3 kids
Hong Kong | 4yrs experience

Hi! My name is MayJane. I'm 39 years old, married and I have 3 children ages 19, 16 and 6 years old. I am a college level. My course is Bachelor of Science in Banking and Finance. I have 2 sisters and 4 brother. I'm the 3rd child of the family. My past job has taught me a lot experience especially in taking care of the children or child care. This is I think is I'm good with. I'm not a super good cook but I'm always willing to learn and can run the kitchen based on my experience. I'm good in cleaning, shopping and household chores. But I'm always above good in child care. I love being with them because I always feel that I'm also near my own children.

I am trustworthy, honest and hardworking. I would have my own time in managing with it. I am looking for an employer who can treat me fairly, open communication with a good heart. Same as mine you can expect me to be a good helper if ever you will choose me. I can handle child care and prioritize them above all. I'm a kind of happy person, sometimes I'm so silent but that's my personality. I have a good moral character with a good heart too. Thank you and have a nice day!
