To whom it may concern,

Good day, my name is Dessie, 49 years of age. I have 3 grown up girls back in my country. I am looking for a new place to work as my current employer is relocating to another country. I worked for them 4 years and 4 months. I'm on my 3rd contract with them when employer decide that they are moving out of Hong Kong. I have 2 mid sized dog to take care of and the couple. The reason why I still want to continue to work is to support my family my youngest daughter is still in primary school. I am the only one who support with my girls and my mother. I am the eldest among 3, my 4 brothers and 2 sister. I wish to find a nice and kind family. As I have also a background from newborn and toddlers. I'm a hardworking person. I can cooking a good meal and I am a good follower especially on menu. I know some Middle East & Western food and some Chinese cuisine too. I love to smell the house clean and tidy.

Looking forward to meet my nice and kind family soon. Thank you and God bless.
