Hi,

I'm a simple, easy going person. I came from a big family, 5 sisters & 5 brothers. A quiet thinker person. A good listener. I am a Christian by religion.

I have 8 years experience working in Hong Kong as domestic helper. Most of my experience is taking care of young kids, ages from 1 to 5 years old. I do house chores like cleaning, cooking, laundry, ironing, marketing, etc. I also have experience taking care of elderly especially in preparing her medicines.

My strong points as a helper is helping the parents in taking care of their children while they are at work. Keeping them busy and safe.

For the employers if they hire me, they can expect my honesty and being hardworking. Trust is valuable to me. Communication is also important for a better and happier family to work in.
