Hong Kong | 8yrs experience

Hi Sir or Madam,

I am Nimfa, 31 years old. I am from Tublay, Benguet in the Philippines. My purpose for working here is to provide for my family.

My current employer is a Hong Kong family of four, two working adults and two kids. I started working for them since year 2017. The kids were still at primary school at that time. Since both kids are both secondary level now, my employer said that she wants them to be independent and will not renew my contract. My daily duties are preparing kids to school, do groceries, cleaning and make simple dinner. I also do car wash once a month.

My strong point as a helper is I am a hardworking and happy person. I can communicate well with my employer and can manage my time well. I can also work without supervision. I am also willing to learn new things for my future employer.

If you will hire me, I can assure you that I will work hard and that you can trust me. Thank you and God bless!
