JOSIE

Filipino | Catholic | Single | 43 years old

Hong Kong | 10yrs experience

Hi Sir/Ma'am,

I am Josie, 43 years old. I am looking for new employer, because employer will be relocating to another country.

I am from Zambales, Philippines. I'm single, no kids. My purpose of working here is to provide for my mom who adopt me when I was a kid, and for my future as well.

My current employer is Italian family of 4, 1 dog, car, the parents and twin teenagers. Wake up at 6am to prepare breakfast and lunch for them to bring in school. After that we walk the dog for 2 hours, go back home. Do the cleaning of the house, washing clothes, hang. After that I plan what is for dinner as they are not eating lunch at home. Then go grocery shopping, I usually cook Asian dishes because they love Asian food. My employer is Italian, she usually cook Italian food if they like Italian food and teach me.

My previous employer is Italian also. I just clean the house, cooking, washing clothes and take care of the cat. I don't need to take care of the kid as my female employer is taking care of him. But sometimes I do if they are out.

I'm looking for new employer, with dog experience because I love animals. I'm a helper that can communicate and manage my time as well. And willing to learn. If you hire me, I will assure you that I can take care of your family, and trust me. Looking forward. Thank you and God bless.
