JULLIE

Filipino | Christian | Single | 35 years old
Hong Kong | 7yrs experience

I am Jullie, 35 years old. You can call me Jelly.

I am from Daga Conner Apayao in Philippines. I am single and my purpose of working is to earn enough to invest for my retirement in the future.

I am now looking for a new employer because according to the termination letter, my previous employer doesn't like me. However, we don't argue about any matters and you may contact her for further proof.

My previous employer is single lady and healthy. I usually wake up at 7am and sleep at 10pm. My daily duties include cleaning the house, do groceries, cook her breakfast, lunch and dinner and went out for exercise the remaining hours.

For my other employers, because they are disabled, I helped them taking shower, feeding also them in the park to exercise and do household chores. I helped them also going for check up.

I wish to look for an employer that are elders because I love talking care of them. I have long patience and I know I can manage to be with them.

I am a trustworthy person, cooperative and willing to take the best of care of your family.

I am looking forward to seeing you soon and thank you! God Bless!
