My current employer is a Hong Kong family of 2 adults. I wake up around 7am to cook breakfast for them. When am done eating, I will go down with the dog to walk for 35 minutes and then go back home. After that, I start to cleaning and laundry and when am done, I cook lunch for me and my mam. I have lunch for 1 hour. And I continue to work, I do ironing and I prepare for the dinner and also the dog food. After that, I go down again to walk the dog for 30 minutes and when I come back home, I start to prepare dinner.

I have also previous experience of Indian family with 1 kid.
