MONALISA

Filipino | Catholic | Single | 38 years old | 5 kids

Hong Kong | 7yrs experience

Sir/Madam

I am Monalisa, Lisa for short. I am from Pasig City Philippines. I am a single mother of 5 kids. 2 daughters ages 17 and 16 years old and 3 boys ages 14, 12 and 10 yrs old. They are now living with their grandmother. I want to work here with the purpose of providing my kids basic needs specially for their secured future.

I am looking for a new employer because my previous employer terminated me with the reason of unable to compromise working approach.

My previous employer here consist of 4 persons 2 adults and 2 kids. My work there is cooking, cleaning the house but more focus on their 2 kids. Everyday I do a usual work preparing breakfast, and lunch for both of them is working. In the afternoon will pick up the kids and will also start prepare dinner because the cooking of dinner depends on what is the schedule of the kids for the day. After dinner I make sure to clean the kitchen and living room then go to sleep at mostly 10pm.

In my previous employer in Middle East which I stay in different countries Kuwait and Saudi Arabia. Almost same duties of cleaning the house, cooking, marketing. But in Kuwait when my madam gave birth to her son, I start focus on taking care of him and all his brothers. They hire another helper to help me at home.

In Saudi Arabia, they are all adults my sir and madam and their daughter ages from 30, 18 and 14. My main duty is to clean, cook sometimes helped my madam baked cakes and some pastries. They also have pet cat which also added for my duty of work.

Having been experienced enough work, I see myself have strong points of being flexible enough to learn new things because I learned to be more obedient, hardworking, loyal and can communicate well with my employer.

I am looking for employer who will trust me well enough with open communication with each other to prevent misunderstanding and also an employer who will open to teach me so I can be productive enough as a helper. Any work that suitable for me I can accept.

If you hire me I promise to give my best to take care of your family. I hope you consider me to be part of your family.

Thank you and God bless you!
