Hi Sir or Madam,

I am Albina, 38 years old. You can call me Bina.

About my job. 10 years ago I was working one big family here in Hong Kong. I was took care of a 3 months old baby boy, and he was grew up with me until he is 10 years old. While taking care of my employer son, I was also able to took care of my employer niece in the day time and she is one year old at the time. Because they are just living in one big house and the parents are both working. While the babies are sleeping I would also do cleaning, washing the clothes, washing the dishes, cooking, and ironing the clothes. And thats my everyday daily routine.

And after one year another one newborn baby added the nephew of my employer. I was so happy to taking care of them because I love babies, I love kids, I wasn't feel tired and I just love my job. They grew up with me. And also I took care of a small dog.

Time came I decided to go home for good, to make my own family, to get married and get pregnant. I stayed in the Philippines for almost 4 years to took care of my daughter.

Last August 8, 2023, I am back in Hong Kong to work again in Tuen Mun in a new family. The main duties is to take care of a newborn baby but unfortunately things happened I break my contract November 6, 2023 because the baby has a heart problem. She is very sensitive to take care off and I feel nervous, I'm afraid to handle her, but it's really hard to leave them at the same time. But I don't want to take the risk. And now looking for new job to start new.

If you hire me, I can assure you that I will take great care of your family and you can trust me.

I am looking to seeing you soon. Thank you and God bless you!
