Good day future employer,

I am Christian, 31 years old, male, single and Filipino citizen. I am working here in Hong Kong for 6 years as a gardener in a Chinese family. I do cleaning in a 5000 square feet garden, cleaning 2 fish ponds, trimming trees and planting some plants and flowers.

My contract will end on April 19, 2024, I got my licence last 2020 but I chose to renew my contract back then. Sometimes, I do parked my employers car inside their park if the driver permits me to do.

I had a driving experience in the Philippines since I got my driver license when I was 22 years old. I drove my car in different places like from our home in our province up to Manila airport and vice versa which the journey can take a few hours. And I was once a company driver in Clark, Pampanga for 5 years.

I am a very hardworking person, honest, kind, have long patience, fast learner and trustworthy. If I can find an employer here, it is my first contract as a driver and I know I will do my future job well like I did in my previous job. Thank you.
