My current employer is a Hong Kong family of 2, mother and daughter. I wake up 6am and then then prepare breakfast for them and lunch to bring in school and office. When they leave the house. I'll start to do my duty like cleaning the house, tidying up the bed. In afternoon I'll go down and pick up the kid to the school bus stop . When we reach home ill give her a snack. After her snack she is start doing her assignment and i start to prepare food to cook for dinner. They having dinner at 6pm. At 8pm they go to take shower together and go to bed.

My strong point as a helper is i can communicate well with my employer and can manage my time well. I'am willing to learn more as per my employer's request.
