ELISA

Filipino | Others | Single | 56 years old
Hong Kong | 17yrs experience

I am Elisa Gallego, 56 years old you can call me Eli in short.

I am now looking for a new employer because my employer terminated my contract because of their financial difficulty having two helpers.

I am from Iloilo part of Visayas, known as a sweet and loving region. I am single but I preferred to stay and work here in Hong Kong for a personal choice.

My current employer in Hong Kong is a single mother, with two children, 6, 8 years old boy and girl. Every day I help them to wake up at 6:30 a.m. help them to shower, change their uniform, eat breakfast and take a public transportation to send them to school in the afternoon about 3 p.m. pick them up on the way back home.

They both have different activities 3 times a week. It's also my duty to send each time.

After school my fellow helper in charge of cooking when I'm busy but we both help each other when needed. My duty is to make sure the children have their food right on time.

Before these families I worked into 3 different Japanese families. The first one they are a couple with 3 children, the second one a couple with 1 so also a Japanese family and the 3rd one a Japanese family also with a newborn son.

If you decide to hire me I can assure you that I do my very best to take care of your children and be honest to do my duty as your helper.

I'm looking forward to seeing you soon.

Thank you

And have a blessed day.
