I am Marben 38yrs old from the Philippines, married and have son 8yrs old.

I have been working in Hong Kong for 6years and 2 months. I am graduated in DEGREE OF BACHELOR OF SCIENCE IN NURSING.

My first job here in Hong Kong is from 08/08/18~12/24/2022 as houseboy/helper and gardener. I was taking care of an old man cancer patient. I am the one to give his medicine on time daily and accompany him in hospital. After I signed for my 3rd contract in 08/08/2022 he got stroke on october and stay in the hospital until he died on 24/12/2022.

My previous work is taking care of 2 big dogs(Labrador and bernese mountain dog). I was doing house chores and car washing.

I have my driving "P"license and have a bit experience driving in the Philippines. So I am looking for an employer who hire me as a driver.

Thanks
