Hi Sir or Madam

Im Gerlie, 36 years old.

Im from Solano Nueva Vizcaya, Philippines. I dont have kids but I do have experience taking care of kids. My purpose of working abroad is to provide my family better living as well as my dogs to give them everything.

My previous employer is from China but working in Hongkong. They have 1 son 2 years old. I wake up 6am to prepare everything for their son. They are the one who send theriir som to school and I am the one who pick him up during lunchtime. After they go out I will clean the house and prepare lunch for their son before I pick him up.. After i pick him up I will take shower their son and fed him after he eats I will put him to sleep ang prepare again dinner for us and 9 pm is the time for me to sleep.

I also have employer for 4 years which I take care of 8 years old boy. I wake up 6 in the morning prepare everything for their son and before 8, I need to send him to school. After that I will go home and clean the house. They dont eat lunch in the house so I will go to the market after I clean and at around 5 in the afternoon I will pick up their son from school and then we go home. After we go home I will start cooking for our dinner and after I finish everything I will go to sleep.

Im looking for employer who has children for me to take care as well as dogs because I love dogs. I can manage my time without much supervision and thats my biggest asset. I also love cooking.

Thank you so much and Godbless..
