Hello Ma'am,Sir, im Lorenda from the Philippines, widowed, having two daughter's in the Philippines, two of them are in college one is civil engineering course and 1 is studying nursing. I have a lot of experience for expat family, and also have experience for local family as well. I can take care of new born, kid...cooking western dishes, doing other house chores independently.

I need to go back to the Philippine as I broke the contract the last employer.
It's my first time to break the contract, all other family were finished contract or terminateid due to their relocation
so I have reference letters from previous employers.

I am looking for an employer who likes me to cook Western dishes as its my strong point as a helper.
I like baking too.

Thank you in advance,
Lorenda
