I am from Davao City in the Philippines. I have 2 daughters 16 years old and 11 years old. They are now living with my husband in my hometown. My purpose in working here is to provide my family and to give good education to my daughters.

My current employer is a Filipino family of 4. Ma'am and sir and they 2 kids age of 12 years old now and 9 years old now. I wake up at 6:30 in the morning to cook the breakfast for the family. After that I bring the kids to school. After bringing them to school I go home to tidy up the house such as cleaning, ironing, wash the toilet, wash the clothes. After I clean everything I cook lunch for the kids and bring it again to school. After bringing the lunch I go to market to buy some food. After finishing market I go home to prepare food for dinner. But before that I pick up the kids from school at 5 pm. We eat dinner mostly at 7:30 in the evening. I help also sometimes the kids with their homework.
