Hi Sir or madam,

I have 2 kids a girl which is 12 years old and a boy which is 8 years old. They living with my mother.

My purpose of working here in Hongkong is to provide a better way of living for my family back in the Philippines.

I want to provide my children a higher standard of living and better education.

My current employer i have a Filipina co-worker is family of 6 and 1 elderly who comes in the house everyday, a husband and wife and 4 kids ages 12, 10, 5 and 1.10 years old, the older ones are girls and the younger are boys. During school days my day starts at 6:30 to help the kids prepare for their school. when the two older ones leave the house to school. I'll go back to sleep at 8am to 9:30 am. Then i will take care of the younger kids or clean the living room (vacuum, sweeping and mopping, dusting) or kitchen ,then at 11am I will cook the kids lunch and feed them at 12am after the kids will finish their lunch then I wash the dishes and will put the 1.9 years old to sleep. Then while the kid was asleep I will do some cleaning again. Then at 5:30 or 6:00 I will start to prepare for their dinner and clean the dishes and the kitchen, my w0rk will finish more or less 9pm. I usually cook 1 to 2 dishes and soup for dinner.

I have a previous experience from a Jordanian family in Amman, Jordan with 2 adults and other children and grandchildren who come to her house everyday.

I am looking for employer who needs childcare for I love taking care and play with kids. I am able to communicate well and a fast learner. I am very much open to learn new things for better and efficient worker.

I am trustw0rthy, active, patient, fast learner and hardw0rking. I can d0 multi-tasking and can be able t0 w0rk with less supervision.
