First time when I came to Hong Kong was 1999, I was 25yrs old. Then I am now 51yrs old. I never got any bad record. All of family were satisfised with me.

I have lot of experience for Western family, so I know many dilfferent kind of western dishes and their favorite.

For example, they likes harbs such as resemarry, times, basil, oregano and so on. I know how to use these kind of harbs and make delicious foods for employer; Roast chicken, Lazania, Roast beef, Baked or fried salmon, some dessert

In my experience, my previous employers need their privacy so I don't make noise when they are at home, so that they can relax and enjoy at home.

I'm hardworking person which you can trust fully. I work in different nationality in hk chinese, french, american, australian, korean, canadian, indian and others. when ever i serve my boss i serve by heart and not only for salary.
