IMELDA

Filipino | Catholic | Widowed | 41 years old | 6 kids

Philippines | 2yrs experience

Great day to all prospective employers!

I'm Imelda, 41, from Limasawa Island Philippines. I've been a widow for 7 yrs. Blessed with 6 kids, 3 girls & 3 boys. Their ages are 22, 19, 17, 12, 10, & 7 y.o. I'm a hands on and a loving mother to my kids & I am also a daughter to my mother, a 75 y.o. she's under my care and she's living together with my kids, auntie, & I. I am a 1st yr college level I took up the Bachelor of Science in Hotel and Restaurant Management. I have NCII Certificate for Domestic worker.

I have a high experience as a Domestic helper in Jeddah, KSA, for 2 yrs. & 7 mos. from JAN. 24, 2022 to SEPT. 10, 2024.

I do all the house hold chores, like a spotless cleaning, washing & ironing clothes and linens. Taking care of children 10 y.o. & below, I cooked their favorite healthy meal. I play with them bicycling & go swimming together. I taught them a good manner, to be hygienic. I took a good care of an elderly person, preparing their daily needs like vitamins & medicines if needed, Assist her to take her bath giving her meal on time, I do served meal 3 times a day. I also take good care of 2 Persian cats. I gave my full care, love & attention to all the members of the family.

I also have an experience as a Domestic helper here in my own country, (Philippines) from Jan. 10, 2018 to Jan. 10, 2022. I do all the house hold chores, like cooking, cleaning, washing & ironing clothes and linens, I take good care of 2 adult, 1 new born, (from birth) and 2 children, & 2 elderly, (male was bedridden 75 y.o.) I bathed him, I change his diaper, gave him massage to make him comfortable, I prepare his vitamins and gave him medicine if needed. I am responsible of their health and safety. My main duties was to take good care of the new born and the children, I make them happy by playing, preparing their healthy meal, reading them a story book, I taught them how to sing and dance. I love & care them as my own. I taught them how to be physically clean, or to be hygienic, I taught them a good manner, on how to be respectful to everyone. I am responsible of their health and safety.

In recent years of my employment I decided to apply abroad because my children are growing up and my mom needs a lot of things like vitamins, medication etc. their expenses are increasing especially for my children's education. so I went to KSA, but still not enough, then I do my research and I found that Hong Kong is the best choice.

They follow the rules & regulation that is stated in the contract. They offered a good salary which very important for me and its more than enough for the needs of my children & mom, and hongkong is close to the philippines and it's easy for me to catch the availability of my kids.

To all prospective employer please hire me as your Domestic helper because I am a hardworking, trustworthy, respectful, honest, loving, and a God fearing person. I promise to do all my duties and responsibilities, I will follow all your rules and regulation. I am ready to work anytime and to serve your family as long as you want me to stay.

I love & very much excited to meet your family soon,

God bless you and to your Family...

Hope to hear from you soon..

Thank you very much & best regards to all!

Your loving & caring helper,

IMELDA
