NOLINDA

Filipino | Catholic | Married | 53 years old | 2 kids
Hong Kong | 13yrs experience

I am Nolinda 53 years old, presently working in hongkong, and my visa end this coming June 2.

I am quite heathly, never used my health insurulance in Hong Kong.

I believe that walking makes me strong and healthy.

I have 2 children 18 and 24yrs old. They are living with my husband in the Philippines.

I was working in Singapore but I decided to come to Hong Kong because the salary is higher than Singapore.

I am working with current employer for 8yrs.

When I started the job, they have 6 months baby, and 2nd one were born after 6months.

So I have good experience taking care of baby. I am sharing room with baby until now.

They were grown up already so I need to leave there and find new employer.

I can cook chinise food and western food, ironing household chores, car wash, marketing.

I am a happy person hard working and a loving nanny.

I am flexible, I can work alone or with co worker. I can work for local family or expats.

I am always trying my best to adjust employers request, for example my day off, holidays and so on.

If you choose to consider me im open for interview, thanks for your kind's consideration..
