Hong Kong | 11yrs experience

Hello mam/sir

I'm Monica 44 years old, married and I have 5 kids(18.16.14.12.9yrs old) of my own back home. I started working here since 2013 taking care of kids, because I believe that taking care of others kids feels like I'm taking care of my own kids, I love cooking and trying new dishes for kids. I also bring them to school and playdates. I do cleaning, marketing and other household chores when the kids are at school.

I'm honest, hard-working, and very efficient in my work.

I am looking for a new employer who can provide me my own room and own bathroom.

Any further questions please I hope to hear from you.
