Greetings! My name is Carol, I am a 36-year-old Filipino, single, and a Christian. I have been working with an American-Chinese couple aged 63 for almost three years, but they are returning to America in August. They are food enthusiasts and love entertaining guests, so I often cook a variety of cuisines and enjoy baking. I also handle the marketing for our household.

I truly enjoy working with children and consider myself an energetic and cheerful person, which helps me connect with them. I am committed to assisting with their studies and overall development. Additionally, I am open to working in any family structure.

I also have a passion for caring for pets, especially dogs, and I would be delighted to care for cats as well. I can speak and understand Mandarin, and I am capable of following recipes and eager to learn new skills. I look forward to finding a new family to join. Please feel free to send me a message. Thank you!
