SHARMAINE

Filipino | Catholic | Single | 31 years old | 1 kids
Hong Kong | 7yrs experience

Good day! I am Sharmaine. I am from Davao City, Philippines. I am working as a helper for 7 years in Hong Kong. I am currently working with the family of four, twins and two adults. My main job was housekeeping, cooking, marketing, and most importantly was to look after the kids, boy and a girl. I also helped them with their homework especially English because both of the parents cannot speak well English so they need my help especially in dictation. I mainly focus on the kids welfare, activities and stuff. I know basic the basic Chinese recipes but I am willing to learn other food cuisines. I am looking forward to work on a family who values respect, understanding and open communication with one another. I am also looking forward to work with an expat, to experience and learn the different types of cultures. I graduated at the University as a Bachelor of Science in Hospitality Management. I learned how to make beds, cook simple dishes, serving at the restaurant, housekeeping and table setting.
