KARREN

Filipino | Catholic | Married | 42 years old | 4 kids
Philippines | 5yrs experience

Hello to all the employers out there! My name is Karren, and I'm 42 years old.

I am trustworthy, honest, flexible, and always eager to learn new things.

I have experience taking care of newborn babies, which includes feeding, bathing, dressing them, putting them to sleep, and preparing their needs, like washing and sanitizing the feeding bottles and cleaning their clothes.

I have also cared for children aged two years and older. This includes cooking their meals, bathing them, playing with them, taking them to school, and teaching them good manners.

I have some experience caring for elderly family members, like my grandparents.

They are healthy, but I help by preparing their meals and having conversations with them to keep the communication strong. I would be really happy if you choose me as your helper and let me be a part of your family.
