Hi madam/ sir have a good day!! I am Michelle 43 yrs old a mother of 4 kids(16.14.13.4yrs old) ,from Philippines but currently here in hongkong.

The reason why I am here in hongkong is to provide the needs of my kids and earn more money for the future of my kids.Probably why I am here looking for a new job is want to have a new challenge in working as a helper to contribute and enhance my knowledge and ability in working,and I expect a proper accommodation like I want to have my own room not sharing unlike my previous one. It's Ok to share room with co worker.

I am flexible, hardworking, enthusiastic and positive vibes,though I am a college graduate. I can do also tutor and know how to taking care of kids and pets since I am a dog breed in the philippines.

House work is easy and familiar to but every family of every employer has their own way of perspective in household..and in that way I am willing to know and to learn more...

Looking forward to hearing from you soon regarding my application.. thank you and GOD bless!
