Hello po ma'am/sir I am Sherryl come from a simple and humble family of five, I live in a beautiful and peaceful place of Pola Oriental Mindoro, As I am here seeking and hoping for the opportunity to work in Hong Kong first honestly because Hong Kong offer's high salary and weekly off for work and life balanced, second because of its well known beautiful sceneries and attractions.

I have more than 4 years of experience as a general household helper were I am doing laundry, ironing, cooking, assisting my employer whenever they needed my assistance, gardening, carwash, pet care, inventory for groceries needed, organizing, folding clean clothes, moping and sanitizing surfaces.

I am a very hardworking, honest, responsible, reliable, initiative, patience, trustworthy and kind person, can work even without supervision. I am currently working as a household helper which is responsible for general household cleaning. I'm looking for an employer to work with mutual respect.

The reason why I am hoping for a job in Hong Kong is because of financial problem, due to many expenses needed my salary here in Philippines is not enough to support myself and the needs of my family. I am a very easygoing, loving, and disciplined person. I love organizing things, sewing, listening to music and watching dramas.
