Hi I'm Tina, 48 years old, single mom of 3 kids ages 22(son) 20 and 18(daughters). I have 5 sisters and 2 brothers, I'm 5th in the family. I was born in Romblon the marble capital of the Philippines. The reason and purpose why I worked here is to support and give a good life to kids and my mom. I am working with Indian family of 4 for 10 years. Experienced with taking care of new born, toddler/kid and teen also with cooking, marketing, grocery and other house chores. The reason why I am looking for a new employer is I am looking for a new opportunities and better alignment for my career, better compensation / benefits as well. I am looking for a new employer who will treat me fairly, fosters a healthy working environment, creates a room for career growth and can help me lead to some achievement. My daily routine right now is mainly everyday going to market and groceries, from time to time going to library to borrow books for kids, managing the kitchen from cleaning to managing the sticks, cooking kids breakfast, preparing kids snack box and lunch box, cooking dinner, helping kids with their homework, guiding and teaching them with their proper hygiene, taking them to their outdoor activities/playdates. Helping with my coworker with laundry, ironing and cleaning. I have special skills in cooking, if it's a new menu I can follow it with help of instructions or showing me some video. I have a training with child care and international emergency first aid at Matilda hospital here in Hong Kong, household management training in Jeddah when I was working with Mr. Jamal Khashoggi the Saudi journalist that was assassinated in Istanbul consulate and he sent me also for some cooking trainings in Jeddah. I have basic computer training just recently here in Hong Kong to freshen up my knowledge in computer and planning to pursue it for more knowledge. I am very flexible, happy person, I love kids, dogs and cats. I love nature and I love singing too. I don't smoke and drink. I can work without any supervision.
