Hi sir/madam , I m Chandran (Charley ) I m from India .  
I m going to finish my contract with my current employer.  
I was worked with him almost 6years. Now going to change employer with good salery.

I usuall start working at 7:15am and finish my work around 8:30pm.  
Sometimes my boss request me to work overtime and I work until late at night.  
My duties are mainly driving because the family need me picking up and dropping off  
their family members at several places in Hong Kong.  
The kids have a lot of activities and Sir and Madam also ask me to drive many places to bring  
them.

The reason of changing employer is for that increasing my salary.  
My boss has already known that I won't renew.

I am driving these cars below.  
alphard v6, BMWi7

Wish you give me a interview with me.
