Im Arceline ,35 years old. I have 3 kids ages 11,5,3.
 My 1st contract is taking care elderly ages 98,65,60. We are two helper . I finished my contract starting 2016-2018.
 After that I apply again and come back here in HK last Nov.1 2024.
 Im already 1year 3months in my employer.
 I decided breaking contract because suddenly my mother is sick diagnose with breast cancer last November so she want me to go back home to see her while she is still alive.My employer doesn't allow me to go home even if a few days.
 Im just the only child that is why. I promise to come back to work because I really need work because I have 3 kids to support.

Actually, I planned to find another employer after finishing contract Nov 2026. Because I am serving for 2 houses it's not my duties though.
