ROBERT

Filipino | Christian | Married | 49 years old | 1 kids
Hong Kong | 25yrs experience

I am Robert 49 yrs old. I am married and have 1 kid 24 yrs old now.

Currently I am working for Australian Family with my wife.

My wife is working for them 14 yrs.

The reason of looking for new employer is that I want to work as a driver.

I got an P-license on Sep2025, so now I can take driving duties.

My employer understand me to leave there home as they don't need a driver.

I am beginner driver in Hong Kong, however I have a lot of experience in the Philippines.

I worked for Filipino Family as a family driver 2016-2024, my duties were picking up and dropping off their kids

to school and other activites etc.

And I had own business as a driver.

I had a own Jeepney, it's popular transportation in the Philippines.

It's similar to Mini bus but it's more long. 21 passangers can ride on the Jeepny.

I wish to find a nice employer who need a driver who understand my experience .
