I'm Venus , 56 years old. I worked as a domestic helper for almost 7 years now. I am separated and have 1 son 23 yrs old who is studying in Canada. Mother of son is my sister , and I am the one who took care of him since birth.

I had been working in Japan before so I can speak Japanese language. Currently I am working for German and French Family, but I am planning to break contract. I can explain the reason during the interview.

I have the characteristic of being calm, patient, work indepently without much supervision.Cleanliness and being organized is a big deal for me. I love cooking different dishes and willing to learn more ideas. I'm a fast learner. and able to work under pressure.

I valued trust and mutual respect. I love taking care of kids because I feel young when I'm with them. I can communicate in japanese.I am flexible and I am a positive person. I know I can be a plus factor whoever family I will work with.
