MELINDA

Filipino | Christian | Single | 40 years old | 3 kids
Hong Kong | 9yrs experience

Good day. My name is Melinda . I am applying for the position of house helper and driver. I can do multi tasks of any duties as a helper. I have an experience of taking the training at hotel. Especially, I am familiar of the way Japanese hotels service.

I passed the driving license exam in 2023 and have a full license, and I know the importance of being careful, responsible, and punctual while driving. I drove ALPHARD and PORSCHE CAYMAN. The experience as a driver is not much as my duties were mainly as a household and child care, pet care etc. When other driver is taking holidays, my previous employer in the Peak was requesting me to drive.

I can work independently, also work with other co workers. I can follow instructions , and easily adjust to different situations. I am dedicated to doing my job properly and treating my employer and their family with respect. I hope to become part of your household and contribute with my skills and positive attitude. Thank you very much
